

Simple to use carpet cleaner that offers effective dirt extraction

With this carpet cleaner you will meet the demanding needs of cleaning midsized carpeted areas in offices, schools, airports, restaurants, hotels, malls and other heavy-traffic areas.

- It has large rear wheels and rotating front wheels that makes it light and easy to manoeuvre
- Big recovery tank meaning larger capacity for dirty water. The user does not have to empty the tank that often
- Higher pump pressure compared to competitors making sure water is spraying evenly and strongly on the carpet
- Solution tank and chassis integrated into one part making it much more robust
- You can easily empty the tank without taking off the motor

The perfect solution for dirt extraction in mid-sized areas and heavy-traffic areas
