

Magic 370S - Safety

Description

- Magic is the first multi-purpose line of trolleys completely made of polypropylene.
- Use 100% of space of your trolley, all tools always get the right place into the trolley
- Hygienic, panels neatly separate the recycling section from the storage and cleaning one.
- Easy to clean thanks to round surfaces, first-quality plastic, completely smooth and covered.
- Environment friendly as recyclable
- Completely rust-free.
- Safe: doors and drawers with removable key protect from incorrect use and thefts all the products necessary to the operator, creating a safe environment
- Modular, designed to satisfy any need of operators
- Ergonomic, the operator can reduce bendings thanks to the structure, drawers and pedal set.
- Smart Design: essential and armonious lines
- Magic line has been devised to be used with any TTS wringer (TEC, O-KEY, DRY), to satisfy any
