

Hospitality Tray Square

Description

Stylish, durable and ultra compact. These are the highlights of the CuboHotel SQUARE hospitality tray. Many people assume that this coffee and tea tray is made of solid wood, but it actually consists of high-quality ABS/plastic with a unique wood finish.

Provides excellent resistance against heat, water, stains and scratches. Additionally, ABS is less expensive than solid wood. Another unique feature is the removable, easy-to-clean stainless steel "drain tray" for used tea bags and spoons. Eliminates the need for saucers. Right now, the SQUARE hospitality tray is available in black.

- Dimensions: 25.8 x 3 x 25.8cm (length x height x width).
