

Abs Matt Black Dispenser Facial Tissues

Description

A tissue at hand can make such a difference!

The Tissue Cosmetic Box dispenser strikes the right balance between aesthetics and practicality.

With its different finishes, it adapts to the style of any bathroom, made of high-quality ABS material.

Equipped with a clip-on lid, it is compatible with most tissue boxes available on the market. It can be wall-mounted with double-sided adhesive or screws, saving space on the counter or shelf.

The dispenser is made of high-quality ABS material and is galvanised or painted with specially selected treatments to increase resistance to shocks, scratches and even wear.
