

## KIT Ironing Board + Cover + Support + Iron with Steam

### Description

- The luxury solution for ironing clothes in the hotel room.
- This lightweight, stable and easy to handle ironing station is designed for hotels and their guests. The ultra-compact ironing board (designed in dark luxury colors) is equipped with a flexible iron organizer with an integrated hook for easy storage inside the closet.
- CUBOHOTEL ironing centers offer exceptional performance, but quality and safety are always the top priority. The motion sensor feature, for example, will ensure that the iron automatically switches off if not used or moved, keeping your property safe and saving energy.
- Dimensions (Closed): Height 112 x Width 33 x Depth 6.8 (cm)
- Board dimensions: 92x33cm
- Adjustable Height: (62-78)cm
