

Square Tray Welcome Hotel With Kettle Star

Description

Ultra-compact durable ABS good-sized tray.

Stylish, durable and ultra compact. These are the highlights of the hospitality tray CuboHotel SQUARE. Many people assume that this tea and coffee tray is made of solid wood but actually consists of high quality ABS / plastic with a unique wood finish.

Offers excellent resistance against heat, water, stains and scratches. In addition, ABS is less expensive than solid wood. Another unique feature is the removable, easy-to-clean stainless steel "drain pan" for used tea bags and teaspoons. Eliminates the need for saucers. At this time, the SQUARE hospitality tray is available in black.
