

Rectangular Hotel Laundry Cart with Bag 290L

Description

The Rectangular Laundry Cart with Bag is the ideal solution for hotels and large facilities seeking efficiency, durability, and practicality in laundry management.

With a **290-liter capacity**, this cart allows for quick and organized transport of bed linens or towels, optimizing the work of housekeeping and laundry teams.

Its **tubular steel frame Ø25mm with black finish** ensures robustness and stability, while the khaki synthetic canvas bag with internal moisture-resistant lining offers durability and easy cleaning.

Equipped with four Ø100mm rubber swivel wheels, it provides excellent mobility and smooth handling, even in tight spaces.

For added convenience, the replacement bag ([CB2783](#)) can be purchased separately, keeping the equipment ready for use and in optimal hygienic condition.
