

1200w Hair Dryer Wall Mount

Description

The 1200 W wall-mounted hair dryer was developed for use in hotel room bathrooms, offering a safe, functional and easy-to-handle solution for guests.

Equipped with an ON/OFF button, automatic shut-off system and minimum and maximum power selector, it allows simple and effective control during use. The 1200 W power ensures efficient drying, suitable for daily use in a hotel environment.

Made of resistant ABS with a white finish and **dimensions of 95 x 190 x 150 mm (width x height x depth)**, it features a discreet and compact design, easily integrating into different bathroom styles. Operation at 220 V and a frequency of 50 cycles per second ensure compatibility with standard electrical installations.
