

Magic Hotel 900S trolley

Description

- Security version hotel trolley.
- With doors and central opening system.
- Modular multipurpose trolley in polypropylene.
- With accessories to meet all cleaning needs Ideal for reorganizing medium and large structures.
- Ecological: made entirely of polypropylene, stainless steel, robust and fully recyclable.
- Hygienic: the plastic shelves separate the trolley modules, preventing contamination between the washing, storage and waste collection areas.
- Robust: polypropylene, naturally rust-resistant and elastic, guarantees shockproof performance.
- Modular: components and accessories allow the trolley to be customized for every need, making it easy to upgrade or repair at any time.
- Easy maintenance: the smooth surfaces and absence of cavities make it easy to clean and guarantee a high level of hygiene.
