

Housekeeping Cart Magic Hotel 880B with Wall Protector

Description

- Bag and lid optional, not included in the price – sold separately (Bags: T3650, T3646, T3628) and (Lid: T70326).
- Multipurpose trolley made of polypropylene, modular and customizable to meet every cleaning need.
- Ideal for reorganizing medium-to-large areas with space constraints, thanks to the foldable bag holder.
- Recommended for servicing **8 to 10 rooms**.
- **Hygienic:** plastic frames clearly separate the trolley's modules, preventing contamination between washing, storage, and waste collection areas.
- **Shock-resistant:** made of naturally stainless and flexible polypropylene, ensuring impact resistance.
- **Modular:** components and accessories allow for customization to each specific need, making updates or repairs easy at any time.
- **Low maintenance:** smooth surfaces and absence of crevices facilitate cleaning and ensure high
