

Housekeeping car MagicArt 06

Description

The MagicArt 06 housekeeping trolley was developed for cleaning operations in hotels that require speed, organization and easy access to materials. With an open structure and functional design, it is suitable for servicing 6 to 8 rooms in environments with limited space.

- **Material and construction**

- Structure in resistant polypropylene, fully recyclable;
- Robust material, impact-resistant and rustproof;
- Lightweight and durable construction for intensive use.

- **Advantages**

- Elegant: modern design that adapts to any environment;
- Discreet: silent operation thanks to rubber
