

Blue Stiff-haired Broom 30cm

Description

- High quality plastic.
- Easy to clean.
- Synthetic filaments.
- More durable and efficient than traditional brooms.
- They are resistant to shock, chipping and do not break down.
- Smooth finishes prevent dirt from adhering to the surface.
- Designed to achieve the best cleaning results and cost efficiency.
- Ideal number of bristles, with a dense barrier for daily sweeping needs.
- The bristles have excellent resistance to bending and wear, and are easier to clean due to their open structure.
- Available in two formats for outdoor or indoor cleaning, depending on the stiffness of the bristles.
- Stiff-haired broom.
- Use outdoors or in wet applications.
