Description

- Space-saving plastic waste bin with Touch Bar mechanism.
- Front facing touch bar mechanism
- Thanks to the slim design, it can be placed perfectly against the wall.
- Contains a waste bag holder and no inner bucket, leaving an extra large content for the waste.
- The waste bag holder frame also keeps the waste bag neatly in place and out of sight.
- Multiple waste bins can easily be linked together with the connector.
- Ideal for waste separation.
