

500 Shoe Cleaning Sponge NOA BIO

Description

- The accessories in the NOA BIO collection are wrapped in Stone Paper, a recycled paper derived from stone, which helps to reduce environmental impact.
- With a neutral white aesthetic, they convey a sense of cleanliness and peace. Each accessory
- comes sealed, guaranteeing that it has not been tampered with and protecting the product until it is used.
- Eco-friendly packaging: easy-open paper.
- Eco-friendly materials: PSM.
- Design: functional and versatile.
- Box of 500 units.
- Sponge with handles for easy shoe cleaning.
