

Nilfisk VP930 Eco PRO HEPA EU Vacuum Cleaner

Description

- **The VP930 vacuum cleaner allows you to complete cleaning tasks faster and more efficiently.**
- New wool filter bags with improved filtration and up to 10% better performance.
- Greater capacity than most compact vacuum cleaners – one of the largest liquid fills on the market (15 L) – saves money with fewer bags used and less time wasted.
- HEPA filter located in the lid for exceptional turbine protection and easy cleaning and replacement.
- Low noise level, already enhanced and world-class, for non-intrusive cleaning.
- Updated storage for better cable protection and faster cleaning start-up.
- Removable cable for easy replacement and extended product life.
