

Copper Pedal Bin 3L

Description

Elevate your guests' experience with the pedal bin in metallic copper and stainless steel, with a 3-litre capacity.

- This small waste bin is the ideal choice for hotels, guesthouses, local accommodations, and tourist apartments seeking to combine functionality, modern design, and maximum hygiene in their spaces.
- With compact dimensions (17 x 25 x 22.5 cm), the bin fits perfectly in bathrooms, offering a discreet and elegant solution for waste disposal.
- The metallic copper finish adds a sophisticated and contemporary touch, enhancing your accommodation's décor.
- The pedal-operated opening system allows hands-free use, promoting greater hygiene.
- The removable inner plastic container makes cleaning and changing the bin liner easy, ensuring quick and efficient maintenance by cleaning teams.
- The anti-fingerprint coating keeps the surface clean and mark-free, even in high-traffic environments, ensuring an impeccable
