

Valera Premium Hair Dryer 1600W Push White

Description

The Valera Premium 1600W Push White Hair Dryer is the ideal choice for hotels and guest accommodations that value efficiency, safety, and comfort for their guests.

- With 1600W of power, this hair dryer offers two airflow speeds and three temperature options, including a cool air function, allowing for quick drying for all hair types.
- The On/Off Push button ensures practicality and safety, while the safety wave wire heating element and IP20 protection provide maximum safety during use.
- The concentrator nozzle directs the airflow for professional results, and the spiral cord offers convenience and mobility.
- Manufactured in Switzerland, this dryer stands out for its durability, energy efficiency, and ease of installation, making it a reliable and modern solution for demanding hotel environments.
- IP20 protection class for safe use in humid environments.

If you are looking for a silent, powerful, and easy-to-use
