

Stainless Steel Catering Cart with 3 Shelves and Wheels with Brake

Description

The stainless steel catering cart with 3 shelves is a practical and robust solution for professional use in hotels, restaurants, catering units, and service areas.

- Made of high-strength stainless steel, it guarantees durability, mobility, and easy cleaning in demanding environments.
- The structure in SS201 stainless steel square tube with 0.9 mm thickness ensures stability when transporting utensils, dishes, or food.
- The SS430 stainless steel shelves, with 0.6 mm thickness, safely support moderate loads.
- Equipped with an anti-noise EVA adhesive, the cart reduces noise during movement, ideal for discreet service in public environments.
- The 10.16 cm wheels (2 universal and 2 with brake) with impact protectors allow for easy and safe movement even in busy spaces.
- Main features:
 - Stainless steel service cart with 3 shelves
 - Structure: SS201 stainless steel (0.9 mm)
