

120L Green Waste Bin with Wheels – Professional Use

Description

This 120-liter waste bin with wheels is the ideal solution for efficient waste management in professional environments such as hotels, local accommodations, restaurants, condominiums, and public spaces.

- Made of high-strength polyethylene, it offers durability, lightness, and easy cleaning.
- The structure includes sturdy wheels, making it easy to transport even when the bin is full.
- The green color allows integration into urban solid waste separation systems.
- Thanks to its large volume capacity, this professional 120L waste bin is suitable for high-traffic areas with demanding operational needs.
- Main features:
 - 120-liter waste bin with wheels;
 - Material: durable polyethylene;
 - Green color, ideal for waste separation;
 - Dimensions: 46 x 56 x 96 cm (width x length x height);
