

Start Capsule Coffee Machine for Hotel

Description

Compact design, quality coffee, and simplified operation for a perfect hotel room experience.

- The Start coffee machine was specially developed for the hospitality sector: it combines an elegant and modern design with professional performance in an ultra-compact format. With only 9.3 cm width, it easily fits on courtesy trays or room countertops, without compromising space or style.
- Equipped with a 20-bar high-pressure pump (made in Italy), **it guarantees a full-bodied and aromatic coffee in every cup.**
- **The START is compatible with Nespresso®-type capsules** and includes two simple buttons (Espresso / Lungo) with automatic flow stop, for practical and intuitive use.
- Main features:
 - Elegant and compact design, in glossy black;
