

Nilfisk VP400 HEPA EC EU Vacuum Cleaner

Description

Consistent performance and intuitive handling for hassle-free professional cleaning.

- The Nilfisk VP400 HEPA EC EU is a compact vacuum cleaner, ideal for professional use in hotels, offices, schools or high-traffic areas.
- Designed to deliver high performance during several hours of daily use, it stands out for its versatility, ease of operation, and low noise level.
- With an ergonomic design and lightweight structure, it offers great mobility even in tight spaces.
- The integrated cable rewind system, foot switch, and color-coded touchpoints make it more comfortable and intuitive to use, even for inexperienced users.
- Removable power cord: tool-free cable replacement with long-lasting locking system for time and cost savings.
