

Custom Minibar with Vinyl – Your Brand’s Colours and Logo

Description

Give your hotel personality with a custom minibar in vinyl. Any model from our range can be adapted, from solid door versions to glass-front options.

The vinyl can be produced in various colors, with your brand, patterns or exclusive designs, ensuring a professional presentation that matches the style of your space.

In addition to its distinctive aesthetics, vinyl customization is durable, easy to clean and reinforces your hotel's visual identity.

A practical solution to highlight your minibars in rooms, suites or common areas.
