

Brushed Stainless Steel Floor Sign

Description

Visible and professional warnings for hospitality environments and public spaces.

- The 201 stainless steel floor sign with a brushed finish is ideal for marking temporarily slippery areas. It is supplied with vinyl in Portuguese and English indicating "Wet Floor."
- If you want the product without vinyl, it is necessary to inform us at the time of order by emailing sales@cubohotel.com
- With a foldable "A" frame design and integrated top handle, it is easy to carry and quick to position anywhere.
- The stainless steel structure ensures durability under intensive use, while the brushed finish provides a modern and professional look.
- Key features:

- Material: stainless steel 201;
