

Winchester LED Wall-Mounted Extendable Mirror with Batteries

Description
Style and functionality for hotel bathrooms. The Winchester LED Extendable Wall Mirror enhances the guest experience, offering an elegant and practical design for bathrooms and makeup areas in hotels. • With low-consumption LED lighting operated by a touch button, it allows adjusting the light as needed. • The mirror is double-sided, with 1x and 5x magnification, ideal for precision tasks. The dual extendable arm and adjustable head offer 360° rotation and tilt, allowing guests to position it exactly as they need. • Made with a durable chrome or brushed black finish and a nylon hinge for smooth movement, it includes an auto cut-off system (automatic shut-off after 4 minutes) that prolongs the lighting's lifespan and saves energy.
