

Double Body Ivory Poly Leather Wastebasket

Description

- The Double Body Wastebasket is the ideal choice for organizing your hotel room. With an elegant design in an ivory finish, this wastebasket is made of high-quality materials, such as ABS and poly leather, ensuring durability and resistance over time.
- Measuring 298 x 228 x 228 mm, the Double Body Waste Bin is perfect for environments that require functionality and sophistication. The removable inner bucket facilitates daily cleaning, while the integrated plastic bag holder keeps the bag hidden, ensuring a clean and organized appearance in the bedroom or bathroom.
- Whether for use in hotels, accommodation facilities, or any space that values order and presentation, the Double Body Waste Bin stands out as a smart choice.
- Invest in quality and design for your hotel room. The Double Body Waste Bin is not just an accessory, but a key piece for keeping your environment clean and organized.
