

Sherwood 1200W Dry Iron

Description

Discover the Sherwood 1200W Dry Iron, the ideal solution for hotel rooms, designed to offer efficiency and safety. With a non-stick soleplate, this iron ensures smooth gliding, making the ironing process easier. Its compact and lightweight design not only makes handling simpler but also facilitates storage in small spaces.

The Sherwood 1200W features an adjustable temperature control button, allowing precise settings for different types of fabrics. Safety is a priority, and this iron includes a 3-stage automatic shut-off function, ensuring it turns off automatically after use, providing peace of mind and safety for both guests and hotel staff.

With a power of 1200W and a 2.5m cord, this iron combines reliability and convenience, meeting the high standards expected by guests.
