

Sachet Holder Middleton Black

Description

Introducing the Black Middleton Sachet Holder, the ideal solution to organize and style hotel rooms. Made from high-quality, durable ABS, this classic holder features four compartments, perfect for storing tea, coffee, sugar, stirrers, and other beverage essentials.

With a practical design that's easy to clean, the Middleton Sachet Holder is built to withstand frequent use, ensuring long-lasting performance.

Its compact dimensions—55mm in height, 125mm in width, and 75mm in depth—make it the perfect choice to keep a beverage station organized and functional in every room.

Additionally, the holder includes rubber feet that provide stability and protect surfaces. Enhancing the presentation of your space, this holder is an essential complement for any environment that values excellence in guest service.
