

Milton 2000W IONIC Hair Dryer for Hotel Rooms

Description

Introducing the 2000W Milton IONIC Hair Dryer, the ideal solution to ensure your guests enjoy a fast and efficient hair drying experience. With a powerful 18,000 RPM motor, this hair dryer ensures quick drying, increasing guest satisfaction.

Equipped with ionic technology (IONIC), the Milton hair dryer reduces frizz and enhances hair shine, offering special care for all hair types. The two speeds and three temperature settings allow a customised drying experience to suit the specific needs of each user.

The cold air function helps set the desired style, while the spiral cord provides flexibility and ease of use. Maintenance is made easy with a removable filter, ensuring quick and simple cleaning and extending the device's lifespan.
