

Shoe Return Box in Sand or Black Faux Leather with Velvet Lining

Description

The Shoe Return Box is the ideal solution for hotels and lodging facilities looking to offer an organized and sophisticated laundry service. With an elegant design available in sand and black colors, this box is made from MDF covered with faux leather and lined with velvet, providing elegance, durability, and a premium touch.

Its functional design, with a compartment in the lid, allows for practical separation of shoes for collection and return. Easy to clean, it requires only water and neutral soap, preserving its impeccable finish for much longer.

With dimensions of **160 x 400 x 280 mm**, the shoe return box offers the perfect size to facilitate the return and storage of footwear, ensuring organization and practicality in your operation. This product not only promotes a positive experience for your guests but also simplifies the laundry management process, contributing to the efficiency of your team.

Invest in the shoe return box and elevate your establishment's service standard while maintaining aesthetics and functionality at a high level. The right choice for those seeking quality and practicality in storage
