

Black Faux Leather Laundry Box

Description

The Black Faux Leather Laundry Box is the ideal solution for hotel directors and purchasing managers seeking to combine functionality with sophisticated design in laundry service management.

Made from MDF wood covered with high-quality synthetic faux leather, it features an elegant black finish that fits perfectly into any hotel environment. Available in beige [\(506344\)](#).

The velvet-lined interior provides extra protection for clothing, while the lid compartment offers practical and efficient organization for documents or tags.

With compact dimensions of **150 x 480 x 350 mm**, this box is easy to handle and clean, requiring only water and soap to maintain its impeccable appearance, avoiding the use of solvents or abrasive products.

Designed to optimize your hotel's internal processes, it combines durability with a modern design that conveys
