

Stainless Steel Tea and Coffee Spoon 11 cm

Description

The 11 cm stainless steel tea and coffee spoon is the perfect choice for hotels that value durability and elegance in details.

Made from high-quality 18-10 stainless steel, it offers superior corrosion resistance and maintains its polished shine even after heavy use.

With a refined and functional design, it is perfect for accompanying tea or coffee, adding a touch of sophistication to hospitality services.

An indispensable accessory in welcome kits that enhances the experience and reinforces your hotel's care for each guest.
