

White Painted Steel Trio Recycling Bin with Galvanized Buckets 90x30cm

Description

The White Painted Steel Trio Recycling Bin is a modern and functional solution for selective waste separation in hotels, offices, and shared spaces.

Made of white painted steel sheet, it combines contemporary design with corrosion resistance, ensuring durability even in high-traffic environments. Each module includes a removable **galvanized inner bucket (24.5 x 24.5 x 48 cm)**, making cleaning and bag replacement easy.

The standard version comes with identifying vinyl labels for PAPER, PLASTIC, and GLASS in both Portuguese and English, without colored backgrounds, offering a discreet and harmonious aesthetic.

Two other vinyl label models are also available, one with colored backgrounds and one with colored top bands, upon request. If not specified, the standard version is shipped.
