

Green Hotel 942 Housekeeping Trolley

Description

The Green Hotel 942 housekeeping trolley was developed for cleaning and replenishment operations in hotels, vacation rentals and other hospitality units requiring a compact, resistant and functional trolley for medium and small areas. Equipped with a foldable bag holder and rear panel, it allows efficient organization without compromising mobility in corridors or narrower spaces.

- Recommended for servicing 10/12 rooms.
- **Material and construction**
 - Polypropylene and Rilsan-coated steel structure;
 - Metal uprights with Rilsan finish for enhanced corrosion resistance;
 - MDF shelves;
 - Robust components designed for intensive professional use;
 - Recyclable materials resistant to daily wear.
