

Stainless Steel Ashtray Waste Bin with Wood Effect

Description

Keep your commercial space clean with the brushed steel ashtray waste bin. Made of 201 stainless steel, this product combines durability and aesthetics, featuring a wood-effect finish and brushed steel details that integrate easily into any décor.

Its **dimensions of 40 x 32 x 94 cm (length x width x height)** and a thickness of 0.8 mm ensure robustness and resistance to daily use.

The interior of the waste bin includes a galvanized sheet container, measuring 31 x 26 x 59 cm (length x width x height). This practical design facilitates the removal and disposal of waste, promoting a cleaner and more pleasant environment.

Ideal for semi-covered outdoor areas and entrance zones, the ashtray waste bin is perfect for those seeking a
