

Black Extendable Bathroom Mirror with 3x Magnification

Description

This mirror is the ideal solution for hotels and local accommodations that seek to combine functionality and modern design in their bathrooms. With a 28 cm articulated arm, it allows easy and flexible adjustment, providing the perfect angle for each user.

It has two mirrors: one normal and another with triple magnification, ensuring detailed vision for tasks such as makeup or shaving. Its black finish adds elegance to the space, while the **dimensions of 31 x 28 x 4 cm** make it practical without taking up too much space.

The generous **diameter of the main mirror (20 cm)** ensures a good viewing area, making it indispensable in environments where guest comfort is a priority.

Diameter of the wall fixing support base: 9.8 cm.

- Available in the version with light: [93696](#)
