

Wet Floor Warning Sign Plastic

Description

This plastic warning sign with text in Portuguese and English is the ideal solution to alert about wet floors in busy environments such as hotels, shopping centers and commercial spaces.

With **dimensions of 62 x 30 cm (height x width)**, it features a resistant and lightweight design, weighing only 650 grams, which facilitates its placement and transport. Produced with durable plastic material, it ensures long service life even under adverse conditions.

Ideal for keeping spaces safe by preventing accidents caused by slippery surfaces.
