

Smart Welcome Tray Beige PU Leather

Description

The beige PU leather courtesy tray combines sophisticated aesthetics with functionality, making it the ideal choice for hotels and accommodation units that value a harmonious presentation of coffee and tea amenities. The beige PU leather finish, with its smooth texture and subtle stitching, provides a warm touch perfect for bright interiors and contemporary-style environments.

The structure was designed to maximise space: the model features a functional drawer that allows storage of tea bags, coffee, sugar, milk and small spoons, keeping the contents protected from dust and neatly organised.

With an **ultra-compact and practical format**, this tray integrates easily into side furniture, desks or bedside tables. The side and rear **cable guides ensure organised cable routing**, making it easy to use electric kettles or other equipment. The high-quality PU leather ensures durability, resistance and easy cleaning in hotel environments.
