

Horizontal Baby Changing Station for Commercial Spaces

Description

The horizontal wall mounted baby changing station is the practical and functional solution ideal for spaces that receive families, such as hotels, restaurants, shopping centres, resorts and schools.

With **dimensions of 87 x 60 x 10 cm (length x height x width) when closed and 87 x 50 x 57 cm (length x height x width) when open**, it ensures comfort and safety for babies up to 3 years old and with a maximum weight of 15 kg.

Its ergonomic design allows easy one hand opening, making it convenient to use in dynamic environments. Equipped with two built in hooks, it allows hanging bags or backpacks, while the adjustable safety belt ensures full protection during changing.
