

Durham Holder for Hair Dryer and Steamer

Description

The Durham Holder is the perfect solution for hotels, local accommodations, Airbnb and resorts that seek a practical and elegant way to organize hair dryers and garment steamers.

With a sophisticated **British design**, this wall mounted holder optimizes the available space, keeping the equipment always accessible and secure. Manufactured with a rigid and durable structure, it offers anti scratch protection to preserve the appearance of the devices, in addition to concealed fixings that ensure a discreet and refined finish.

The universal icons facilitate quick identification of the hair dryer or steamer, while the removable anti theft device provides an extra layer of security without compromising functionality.
