

Kensington Welcome Tray with Drawer

Description

The Kensington welcome tray with drawer in black was developed for hotels, local accommodations, Airbnb and resorts that intend to offer an organized and elegant tea and coffee service in the rooms.

With a compact and sophisticated **British design**, this tray was designed to accommodate the Corby Kensington 0.6L kettle ([CW13536](#)), creating a functional and discreet beverage station. The integrated drawer allows organizing tea sachets, coffee and spoons in a practical way, keeping all accessories tidy and easily accessible.

The integrated drip tray facilitates cleaning and helps keep the area always hygienic. Manufactured in moisture resistant MDF, it ensures durability even in intensive use environments, while the rubber feet protect the furniture from scratches and increase stability.
