

Digital Hotel Safe Dubai 10

Description

The Digital Hotel Safe Dubai 10 is the ideal solution to ensure the security of your guests belongings in hotels, local accommodations and Airbnb spaces.

With a compact design and external **dimensions of 19 x 36 x 27 cm (height x width x depth)**, it offers a spacious interior of 18.5 x 35 x 26 cm (height x width x depth), perfect for storing personal items, documents and electronic devices with total confidence.

It operates with 4 AA batteries, ensuring autonomy and ease of maintenance, in addition to having an interior light that facilitates access to items even in low light environments.

For secure installation, it has 4 holes in the base and 4 holes in the back, allowing fixing to the floor or to the wall.
