

Buxton Sachet Holder 3 Compartments BUSA Bamboo

Description

Elevate the standard of hospitality of your establishment with the buxton sachet holder, the solution to organize beverage essentials with elegance and environmental awareness. Ideal for hotels, resorts, local accommodations and Airbnb units that do not give up sophistication, **this organizer is made of BUSA bamboo, one of the most sustainable and durable materials on the current market.**

With a minimalist British design and a black finish that highlights the natural details of the wood, the buxton sachet holder transforms the coffee and tea area of any room into a refined space.

Its structure has **dimensions of 14.5 x 14.5 x 6 cm (width x depth x height)** and has three distinct storage compartments, allowing to separate tea, coffee and sugar sachets in a practical and visually appealing way for the guest.

[Buxton Sachet Holder 3 Compartments BUSA Bamboo](#)

- Compartment 1 (x2): 8.7 x 6.4 x 5.1 cm (width x depth x height)
- Compartment 2: 3.1 x 12.7 x 5.1 cm (width x depth x height)

Durability is one of its strong points, presenting a robust construction that resists intensive use in hospitality. To ensure the preservation of your furniture, the base is equipped with anti-scratch cork feet, ensuring stability and total protection of surfaces.

In addition, the ease of cleaning of bamboo makes daily maintenance simple and fast for cleaning teams.

With the buxton sachet holder, you will be investing in a functional accessory that combines modern aesthetics with commitment to sustainability, providing a superior welcome experience to your customers.
