

Buxton Capsule and Sachet Holder

Description

Elevate the welcome experience in your rooms with the sophisticated Buxton capsule and coffee sachet holder, a piece designed specifically to combine organization and elegance in luxury hospitality environments.

Made of BUSA bamboo, recognized as one of the most sustainable and ecological materials in the world, this accessory features a refined wood tone finish that integrates perfectly into the aesthetics of modern hotels, resorts and local accommodation units.

With a minimalist and functional British design, this holder features two versatile storage compartments and four dedicated sections for capsules compatible with Nespresso, ensuring that all coffee elements are always organized and within easy reach of your guests.

In addition to its visual appeal, the Buxton capsule and

[Buxton Capsule and Sachet Holder](#)

coffee sachet holder stands out for its durable construction and practicality, being extremely easy to clean to optimize the daily maintenance of cleaning teams. Designed to protect furniture, the holder includes anti-scratch cork feet, preventing damage to desks, sideboards or minibar furniture.

With **dimensions of 21.1 x 14.5 x 4 cm (width x depth x height)**, its compartments have the following measurements:

- Compartment 1: 14.3 x 6.5 x 3 cm (width x depth x height)
- Compartment 2: 4 x 6.5 x 3 cm (width x depth x height)
- Compartment 3 (x4): Ø 40 x 4 mm (diameter x depth)

The Buxton model is the ideal choice for those looking to elevate the presentation of the beverage service and transform a simple detail into a memorable moment of comfort for the customer.

Whether for a charming Airbnb or for a large-scale hotel unit, this sustainable solution reinforces your brand's commitment to the environment without compromising style.
