

Gold Wall Hook for Barrier Rope

Description

Wall fixing piece designed for connecting barrier ropes, ideal for delimiting areas and organizing flows in hotels, receptions, events and commercial spaces. A discreet and functional solution for rope-based separation systems.

Made of zinc alloy with a gold finish, it offers good resistance to frequent use and harmonious integration in environments that value aesthetics and detail. It allows simple wall installation, with different fixing options depending on the need.

• **Technical features:**

- Material: zinc alloy;
- Finish: gold;
- Dimensions: 35 x 35 x 3.5 mm (width x height x depth);
- Weight: 27 g;
- Compatible with barrier ropes;
