

BIGFLOW EVO Brushed Gold Hand Dryer

Description

The BIGFLOW EVO in brushed gold combines sophisticated design and high durability for modern sanitary facilities in hotels, restaurants, offices and commercial spaces.

The stainless steel structure with brushed gold PVD finish offers enhanced durability and a premium appearance, suitable for high-use environments. The automatic sensor provides a more hygienic and comfortable user experience.

With a maintenance-free brushless motor and anti-vandalism construction, this hand dryer was developed to ensure consistent performance in professional spaces.

• Technical features:

- Stainless steel with brushed gold finish;
- Automatic infrared sensor;
- Universal brushless motor;
- Total power: 2050 W;
