

EVO Wall Mounted Bin with Removable Lid Brushed Copper Stainless Steel 23L

Description

The **EVO 23L Bin** combines contemporary design, functionality and outstanding durability. Manufactured from AISI 304 stainless steel with a brushed copper PVD finish, it offers excellent resistance to corrosion and daily wear, making it an ideal solution for high-traffic environments. The open, removable top lid allows for easy cleaning and maintenance, while the option of wall-mounted or freestanding installation provides greater versatility.

Suitable for bathrooms, offices, hotels, schools and other public or private spaces, the EVO Bin stands out for its elegant appearance and premium-quality materials, blending seamlessly into modern interiors.
