

15L Pedal Operated Hygiene Bin Matte Black

Description

The **15L Pedal Operated Hygiene Bin** provides a practical and hygienic waste disposal solution for washrooms in hotels, offices, healthcare facilities and public spaces.

Manufactured from high-quality polypropylene, it offers excellent durability and resistance to daily use. The pedal-operated system allows hands-free operation, helping to maintain higher hygiene standards.

The removable top cover enables quick cleaning and maintenance, while the matte black finish delivers a modern and professional appearance.

Key Features:

- 15-litre capacity
- Pedal-operated opening
