

Thornton Recycling Insert - General Waste

Description

The Thornton General Waste Bin Insert is the perfect solution for hotels looking to streamline waste sorting. Featuring a printed sorting guide, it helps guests and staff easily separate recyclables. Designed to fit Corby single or double layer bins, it can be used with or without bags, offering flexibility for housekeeping teams. Its easy-to-clean design ensures a hassle-free experience for hotel staff, maintaining cleanliness and efficiency in guest rooms and common areas.
