

Bubu Waste liners Refill

Description
The refill liners for the BUBU diaper bin are designed for hygienic and odour-controlled use. The refill consists of four rolls of continuous liners, compatible with the BUBU diaper bin's SnugShield liner system. The liners are made from multi-layer EVOH material, helping to reduce odour transfer. Benefits and features: • Refill for the BUBU diaper bin • Set of 4 rolls of continuous liners • Holds up to 400+ newborn diapers per roll • Made from EVOH material with odour-blocking properties • Length per roll: 6 metres • Compatible with the EKO SnugShield liner system • Dimensions: 36 × 2 × 600 cm
