

Wall-Mounted Grab Bar 600 mm

Description

The 600 mm wall-mounted grab bar in AISI 304 stainless steel was designed to improve safety and accessibility in adapted bathrooms, making it suitable for hotels, hospitals, clinics, nursing homes and public sanitary facilities.

Made of AISI 304 stainless steel, it offers high resistance to corrosion and excellent durability in humid and high-use environments. The straight design provides secure support near toilets, sinks and shower areas, increasing user stability.
